□ □

A diagram of a wooden cabinet with two doors. A red circle is drawn around the hinge area of the right door, indicating the location of the hinge pins.

A diagram showing a cross-section of a concrete slab on a steel beam. The slab is orange, and the beam is light blue. A red circle highlights the edge of the slab. Above the slab, there is a horizontal line with a double-headed arrow indicating a distance. To the left of the slab, there is a row of ten small white rectangles. To the right of the slab, there are two small white rectangles.
